**PARTNERSHIP**  
MURAL GRANT GUIDELINES

## I. Introduction

The architectural quality of North Wilkesboro's downtown area is important to the entire town, its history, image and economy. The appearance of downtown is largely determined by the condition of its buildings. Because this appearance also forms the basis of the public's overall impression of downtown, the upgrading and preservation of North Wilkesboro's downtown is crucial to the continued livelihood of this historic district. Downtown North Wilkesboro Partnership, Inc. (DNWP) and the Town of North Wilkesboro would like to encourage all downtown property owners to participate in this program.

The following is an outline of the Mural Grant Program developed by the Town of North Wilkesboro and the DNWP for the continued effort of downtown revitalization.

These guidelines will be used by the DNWP in approving Mural Grant requests for projects in the downtown area. By following these guidelines, applicants can ensure that their projects will maximize available downtown incentives and will enhance the image of downtown as a special place to work, shop and socialize.
